

WorldCare Medical Second Opinion

Medical decisions can be overwhelming. When faced with surgery or a serious medical condition, how can you be confident you're making the most informed decision?

WorldCare can help

The WorldCare Medical Second Opinion (MSO) service confirms your diagnosis, provides treatment recommendations and answers your questions. MSOs are completed by teams of specialists at WorldCare Consortium® hospitals and delivered directly to you and your doctor along with the information needed to make informed decisions with greater confidence.

How it works

The WorldCare MSO service is here for you when you need it most. It's a simple three-step process:

- Step 1** Call 1.877.676.6439 to initiate service.
- Step 2** WorldCare works with you and your doctor(s) to gather medical records and send them to the medical institutions best suited to review your case.
- Step 3** The specialists review your records and diagnostic material and provide a MSO to you and your doctor.

"Thank you so much. We valued the second opinion as it has given us a better picture of the so far unexpected future."
