

WorldCare TRAVELER

Onsite medical appointments, care coordination and discounts.

When time is of the essence and you need an in-person medical appointment at a high-quality medical institution where do you turn?

WorldCare can help

The WorldCare TRAVELER service provides members personalized assistance in selecting a high-quality medical institution and coordinating the onsite visit for you.

How it works

- Step 1** Call WorldCare to initiate the service.
- Step 2** Your WorldCare Care Consultant assists you in selecting an appropriate facility and physician based on your condition and needs, costs, location preferences and the availability of services.
- Step 3** Once you select the facility and physician, we coordinate the appointment, manage the financial aspects of your visit (for a percentage-of-savings fee) and support you throughout your visit.

“It was comforting to have constant communication with WorldCare and to know that they were procuring all of the information, reports and material.”
– Jordan Newman, WorldCare Member

For more than 22 years we have been committed to improving the quality of health care worldwide by maximizing timely, efficient and strategic access to the world's best health care. We have leveraged our award-winning capabilities and revolutionary technology to provide unparalleled service and expertise. Nimble and efficient, we offer customized services to meet the unique needs of our clients and members worldwide.

We deliver highly-specialized, personalized services by leveraging our unique contractual relationship with the WorldCare Consortium® institutions, as well as relationships with other high-quality clinicians and medical institutions globally. We pioneered the multi-disciplinary, multi-institutional second opinion process in 1994 and have come a long way over the past twenty years, while continuing to be the leader in global health care solutions.

With operations worldwide, our services are available through employers, health plans and insurers and cover the full continuum of care. Through our unique relationship with top-ranked hospitals, we are able to provide services ranging from answering basic medical questions, confirming diagnosis, providing treatment plan guidance and much more.
