

# WorldCare Medical Second Opinion

Medical decisions can be overwhelming. When faced with surgery or a serious medical condition, how can you be confident you're making the most informed decision?

## WorldCare can help

The WorldCare Medical Second Opinion (MSO) service confirms your diagnosis, provides treatment recommendations and answers your questions. MSOs are completed by teams of specialists at WorldCare Consortium™ hospitals and delivered directly to you and your doctor along with the information needed to make informed decisions with greater confidence.

## How it works

The WorldCare MSO service is here for you when you need it most. It's a simple three-step process:

- Step 1** Call 1.877.676.6439 to initiate service.
- Step 2** WorldCare works with you and your doctor(s) to gather your medical records and send them to the medical institutions best suited to review your case.
- Step 3** The specialists review your records and diagnostic material and provide a MSO to you and your doctor.

*"Thank you so much. We valued the second opinion as it has given us a better picture of the so far unexpected future."*
